Notice of Claim: You must notify the Travel Insurance Administrator as soon as reasonably possible, and be prepared to describe the Loss, the name of the Travel Supplier (i.e., tour operator, Cruise line, or charter operator), the Trip dates, purchase date and the amount that the Insured paid. The Company will provide You, or someone acting on Your behalf, with forms for the filing of a

proof of loss within 15 days of receiving a notice of claim from You, or someone acting on Your behalf. Claim forms can be found at the web address shown above.

Proof of Loss: You have 90 days from the date of loss to submit your claim to the Travel Insurance Administrator, or as soon after that as is reasonably possible. Failure to furnish such proof within such time will not invalidate nor reduce any claim if it shall be shown not to have been reasonably possible to furnish such proof during that time. All claims under this Policy must be submitted to the Travel Insurance Administrator no later than one year after the date of Loss or insured occurrence or as soon as reasonably possible. If the Travel Insurance Administrator has not provided claim forms within 15 days after the notice of claim, other proofs of Loss should be sent to the Travel Insurance Administrator by the date claim forms would be due. The Travel Insurance Administrator will require information from You for the proof of loss. This will include, but is not limited to:

- written proof of the occurrence;
- type and amount of Loss;
- the Insured's name; and
- the Travel Supplier Name; and
- policy number.
- The Insured must return all unused, non-refundable tickets.

Payment of Claims:

When Paid: Claims will be paid as soon as the Travel Insurance Administrator receives complete proof of Loss and verification of age, but no later than 60 days after receipt of proof of loss.

To Whom Paid:

Benefits are payable to the Insured who applied for coverage and paid any required plan cost. Any benefits payable due to the Insured's death will be paid to the Insured's estate, unless written notice of a designated beneficiary is provided to the Company.

Emergency Evacuation benefits may be payable directly to the provider. However, the provider: (a) must comply with the statutory provision for direct payment; and (b) must not have been paid from any other sources.

Trip Cancellation and Trip Interruption Proof of Loss: The Insured must provide the Travel Insurance Administrator documentation of the cancellation or interruption and proof of the expenses incurred. The Insured must provide proof of payment for the Trip such as canceled check or credit card statements, proof of refunds received, copies of applicable tour operator or Common Carrier cancellation policies, and any other information reasonably required to prove the Loss. Claims involving Loss due to Sickness, Injury, or death require signed patient (or next of kin) authorization to release medical information and an attending Physician's statement. The Insured must provide the Travel Insurance Administrator with all unused air, rail, Cruise, or other tickets if he/she is claiming the value of those unused tickets.

Trip Delay Proof of Loss: The Insured must provide the following to the Travel Insurance Administrator:

- documentation of the delay from the Travel Supplier, as to the reason for the delay;
- A form of proof for expenses incurred.
 - copies of receipts for expenses greater than \$25, or a
 - list of the expenses incurred under \$25, to include:
 - Amount paid, what the payment was for, and the date of the payment. Claims involving Loss due to Sickness, Injury, or death require signed patient (or next of kin) authorization to release medical information and an attending Physician's statement.

Baggage and Personal Effects Proof of Loss: The Insured Must:

- (a) report Theft Losses to police or other local authorities as soon as possible;
- (b) take reasonable steps to protect his/her Baggage from further damage and make necessary and reasonable temporary repairs; (The Company will reimburse the Insured for those expenses. The Company will not pay for further damage if the Insured fails to protect his/her Baggage);

- (c) allow the Company to examine the damaged Baggage and/or the Company may require the damaged item to be sent in the event of payment;
- (d) send sworn proof of Loss as soon as possible from date of Loss, providing amount of Loss, date, time, and cause of Loss, and a complete list of damaged or lost items; and
- (e) Provide original receipts for any items over \$150.

Sporting and Golf Equipment Delay Proof of Loss: The Insured must provide documentation of the delay or misdirection of the Baggage by the Common Carrier and receipts for the Necessary Personal Effects purchases.

The following provisions apply to *Baggage/Personal Effects and Sportsman Golf Equipment Delay*:

Notice of Loss: If the Insured's property covered under this Policy is lost or damaged, the Insured must:

- (a) notify the Travel Insurance Administrator as soon as possible;
- (b) take immediate steps to protect, save and/or recover the covered property;
- (c) give immediate notice to the carrier or bailee who is or may be liable for the Loss or damage;
- (d) notify the police or other authority in the case of robbery or Theft within 24 hours.

Settlement of Loss: Claims for damage and/or destruction shall be paid immediately after proof of the damage and/or destruction is presented to the Travel Insurance Administrator. Claims for lost property will be paid after the lapse of a reasonable time if the property has not been recovered. The Insured must present acceptable proof of Loss and the value.

Valuation: The Company will not pay more than the Actual Cash Value of the property at the time of Loss. At no time will payment exceed what it would cost to repair or replace the property with material of like kind and quality.

Appraisal/Disagreement Over Size of Loss: If there is a disagreement about the amount of the cash value or Loss either You or the Company can make a written demand for an appraisal. After the demand, You and the Company will each select Your own competent and disinterested appraiser and notify the other of the appraiser selected within 20 days of such demand. The appraisers shall first select a competent and disinterested arbitrator; and failing for 15 days to agree on such arbitrator, then on request of the Insured or the Insurer, such arbitrator shall be selected by a judge of a court of record in the state in which the property covered is located. The appraisers shall then appraise the loss, stating separately actual cash value and loss to each item, and, failing to agree, shall submit their differences, only, to the arbitrator. An award in writing, so itemized, of any two when filed with the Insurer shall determine the amount of actual cash value and loss. The appraiser selected by You is paid by You. The Company will pay the appraiser they choose. You will share equally with the Company the cost for the arbitrator and the appraisal process.

Benefit to Bailee: This insurance will in no way inure directly or indirectly to the benefit of any carrier or other bailee.

Emergency Evacuation and Repatriation of Remains Proof of Loss: The Insured must provide the Travel Insurance Administrator with: (a) all medical bills and reports for medical expenses claimed; and (b) a signed patient authorization to release medical information to the Travel Insurance Administrator.

The following provision applies to *Baggage/Personal Effects*:

Subrogation - To the extent the Company pays for a Loss suffered by an Insured, the Company will take over the rights and remedies the Insured had relating to the Loss. This is known as subrogation. The Insured must help the Company preserve its rights against those responsible for its Loss. This may involve signing any papers and taking any other steps the Company may reasonably require. If the Company takes over an Insured's rights, the Insured must sign an appropriate subrogation form supplied by the Company.

As a condition to receiving the applicable benefits listed above, as they pertain to this Subrogation provision, the Insured agrees, except as may be limited or prohibited by applicable law, to reimburse the Company for any such benefits paid to or on behalf of the Insured, if such benefits are recovered, in any form, from any Third Party or Coverage.

The Company will not pay or be responsible, without its written consent, for any fees or costs associated with the pursuit of a claim, cause of action or right by or on behalf of an Insured or such other person against any Third Party or Coverage.

Coverage - as used in this Subrogation section, means no fault motorist coverage, uninsured motorist coverage, underinsured motorist coverage, or any other fund or insurance policy except coverage provided under this Policy and any fund or insurance policy providing the Insured with coverage for any claims, causes of action or rights the Insured may have against the Company.

Third Party - as used in this Subrogation section, means any person, corporation or other entity (except the Insured and the Company).

SECTION VI

GENERAL PROVISIONS

Entire Contract; Changes. This Policy, Schedule of Benefits, Application and any attachments are the entire contract of insurance. In the absence of fraud, all statements made by the Insured will be considered representations and not warranties. No agent may change it in any way. Only an officer of the Company can approve a change. Any such change must be shown in this Policy or its attachments.

Acts of Agents. No agent or any person or entity has authority to accept service of the required proof of loss or demand arbitration on the Company's behalf nor to alter, modify, or waive any of the provisions of this Policy.

Physical Examination and Autopsy. The Company at its own expense has the right and opportunity to examine the person of any Insured whose Loss is the basis of claim under this Policy when and as often as it may reasonably require during the pendency of the claim and to perform an autopsy in case of death where it is not forbidden by law.

Beneficiary Designation and Change. The Insured's beneficiaries are the persons designated by the Insured and on file with the Travel Insurance Administrator or the beneficiaries as shown in the Payment of Claim: To Whom Paid provision.

An Insured over the age of majority and legally competent may change his or her beneficiary designation at any time, without the consent of the designated beneficiaries, unless an irrevocable designation has been made, by providing the Travel Insurance Administrator with a written request for change. When the request is received, whether the Insured is then living or not, the change of beneficiary will relate back to and take effect as of the date of execution of the written request, but without prejudice to the Company on account of any payment made by it prior to receipt of the request.

Assignment. An Insured may not assign any of his or her rights, privileges or benefits under this Policy.

Conformity with State Statutes. Any provision of this Policy which, on its effective date, is in conflict with the statutes of the state in which this Policy is delivered is hereby amended to conform to the minimum requirements of those statutes.

Clerical Error. Clerical error, whether by the Insured or the Company, will not void the insurance of any Insured if that insurance would otherwise have been in effect nor extend the insurance of any Insured if that insurance would otherwise have ended or been reduced as provided in this Policy.

Misstatement of Age. If premiums for the Insured are based on age and the Insured has misstated his or her age, there will be a fair adjustment of premiums based on his or her true age. The Company may require satisfactory proof of age before paying any claim.

Legal Actions. No action at law or in equity may be brought to recover on this Policy prior to the expiration of 60 days after written proof of Loss has been furnished in accordance with the requirements of this Policy. No such action may be brought after the expiration of 3 years after the time written proof of loss is required to be furnished.

Arbitration. If the Company and one or more Insured(s) with respect to the rights of such Insured(s) under this Policy voluntarily agree to arbitration to resolve the dispute, the Commercial Arbitration Rules of the American Arbitration Association shall apply, except with respect to the selection of arbitrators, the payment of arbitration fees and costs, the location and the entry of the arbitration award. Such arbitration shall be non-binding upon all parties.

Selection of Arbitrators: One arbitrator shall be chosen by one side and another arbitrator by the other side. The two arbitrators will select a third arbitrator ("umpire"). If the arbitrators are unable to agree upon an umpire, application shall be made to a justice of the Supreme Court residing in the county or to a county judge of the county in which the damaged property is or was located. Application may be made on five days' written notice to the

other party. The court, on proof by affidavit of the failure of the arbitrators to select an umpire, will appoint an umpire. All arbitrators shall be competent and disinterested.

Payment of Arbitration Fees and Costs: Each side shall pay the fee of its chosen arbitrator and half the fee of the third arbitrator. The remaining costs of the arbitration, including legal fees and disbursements, shall be paid as the written decision of the arbitrators directs, with it being expressly understood that the intention is to favor reimbursement of such fees and expenses to an insured that has brought a meritorious dispute. The fees to be borne by a side consisting of more than one Party shall be divided equally among such Parties.

Location: Any arbitration hereunder shall take place in New York, New York, unless otherwise mutually agreed upon by the two sides.

Entry of Arbitration Award: Judgment upon an arbitration award hereunder may be entered in, and enforced by, any court of competent jurisdiction.

Concealment or Fraud. The Company does not provide coverage if the Insured has intentionally concealed or misrepresented any material fact or circumstance relating to this Policy or claim.

Payment of Premium. Coverage is not effective unless all premium due has been paid to the Travel Insurance Administrator prior to a date of Loss or insured occurrence.

Termination of this Policy. Termination of this Policy will not affect a claim for Loss if the Loss occurred while this Policy was in force.

Transfer of Coverage. Coverage under this Policy cannot be transferred by the Insured to anyone else.

Insurance With Other Insurers. If there is other valid coverage with another insurer that provides coverage for the same Loss, the Company will pay only the proportion of the Loss that this Company's Limit for that Loss bears to the total limit of all insurance covering that Loss, plus such portion of the premium paid that exceeds the pro-rata portion for the benefits so determined.

Controlling Law. Any part of this Policy that conflicts with the state law where this Policy is issued is changed to meet the minimum requirements of that law.

The Company will provide You, or someone acting on Your behalf, with forms for the filing of a proof of loss within 15 days of receiving a notice of claim from You, or someone acting on Your behalf. Claim forms can be found at the web address shown above.

Proof of Loss: You have 120 days from the date of loss to submit your claim to the Travel Insurance Administrator, or as soon after that as is reasonably possible. Failure to furnish such proof within such time will not invalidate nor reduce any claim if it shall be shown not to have been reasonably possible to furnish such proof during that time. All claims under this Policy must be submitted to the Travel Insurance Administrator no later than one year after the date of Loss or insured occurrence or as soon as reasonably possible. If the Travel Insurance Administrator has not provided claim forms within 15 days after the notice of claim, other proofs of Loss should be sent to the Travel Insurance Administrator by the date claim forms would be due. The Travel Insurance Administrator will require information from You for the proof of loss. This will include, but is not limited to:

- written proof of the occurrence;
- type and amount of Loss;
- the Insured's name; and
- the Travel Supplier Name; and
- policy number.

Payment of Claims:

To Whom Paid:

Benefits are payable to the Insured who applied for coverage and paid any required plan cost. Any benefits payable due to the Insured's death will be paid to the Insured's estate, unless written notice of a designated beneficiary is provided to the Company.

Medical Expense Proof of Loss: The Insured must provide the Travel Insurance Administrator with: (a) all medical bills and reports for medical expenses claimed; and (b) a signed patient authorization to release medical information to the Travel Insurance Administrator.

The following provision applies to *Medical Expense*:

Subrogation - In the event that an Insured suffers an Injury or Sickness for which another party may be responsible, such as someone injuring the Insured in an accident, and the Company pays benefits as a result of that Injury or Sickness, the Company will be subrogated and succeed to the right of recovery against the party responsible for the Insured's Sickness or Injury to the extent of the benefits the Company has paid. This means that the Company has the right independently of the Insured to proceed against the party responsible for the Insured's Injury or Sickness to recover the benefits the Company has paid. The Company's right of recovery does not apply when a settlement is reached between a plaintiff and defendant, unless a statutory right of reimbursement exists. When entering into a settlement, it is presumed that the Insured did not take any action against the Company's rights or violate any contract between the Insured and the Company. The settlement between the Insured and the responsible party does not include compensation for the cost of health care services for which the Company provided benefits.

SECTION VI

GENERAL PROVISIONS

Entire Contract; Changes. This Policy, Schedule of Benefits, Application and any attachments are the entire contract of insurance. In the absence of fraud, all statements made by the Insured will be considered representations and not warranties. No agent may change it in any way. Only an executive officer of the Company can approve a change. Any such change must be shown in this Policy or its attachments.

Acts of Agents. No agent or any person or entity has authority to accept service of the required proof of loss or demand arbitration on the Company's behalf nor to alter, modify, or waive any of the provisions of this Policy.

Physical Examination and Autopsy. The Company at its own expense has the right and opportunity to examine the person of any Insured whose Loss is the basis of claim under this Policy when and as often as it may reasonably require during the pendency of the claim and to perform an autopsy in case of death where it is not forbidden by law.

Beneficiary Designation and Change. The Insured's beneficiaries are the persons designated by the Insured and on file with the Travel Insurance Administrator or the beneficiaries as shown in the Payment of Claim: To Whom Paid provision.

An Insured over the age of majority and legally competent may change his or her beneficiary designation at any time, without the consent of the designated beneficiaries, unless an irrevocable designation has been made, by providing the Travel Insurance Administrator with a written request for change. When the request is received, whether the Insured is then living or not, the change of beneficiary will relate back to and take effect as of the date of execution of the written request, but without prejudice to the Company on account of any payment made by it prior to receipt of the request.

Assignment. An Insured may not assign any of his or her rights, privileges or benefits under this Policy.

Conformity with State Statutes. Any provision of this Policy which, on its effective date, is in conflict with the statutes of the state in which this Policy is delivered is hereby amended to conform to the minimum requirements of those statutes.

Clerical Error. Clerical error, whether by the Insured or the Company, will not void the insurance of any Insured if that insurance would otherwise have been in effect nor extend the insurance of any Insured if that insurance would otherwise have ended or been reduced as provided in this Policy.

Legal Actions. No action at law or in equity may be brought to recover on this Policy prior to the expiration of 60 days after written proof of Loss has been furnished in accordance with the requirements of this Policy. No such action may be brought after the expiration of 3 years after the time written proof of loss is required to be furnished.

Arbitration. The Company and one or more Insured(s) with respect to the rights of such Insured(s) under this Policy may be submitted to voluntary arbitration if both parties mutually agree. The Commercial Arbitration Rules of the American Arbitration Association shall apply, except with respect to the selection of arbitrators, the payment of arbitration fees and costs, the location and the entry of the arbitration award.

Selection of Arbitrators: One arbitrator shall be chosen by one side and another arbitrator by the other side, and a third arbitrator shall be chosen by the first two arbitrators before they enter into arbitration. All arbitrators shall be disinterested.

Payment of Arbitration Fees and Costs: Each side shall pay the fee of its chosen arbitrator and half the fee of the third arbitrator. The remaining costs of the arbitration, including legal fees and disbursements, shall be paid as the written decision of the arbitrators directs, with it being expressly understood that the intention is to favor reimbursement of such fees and expenses to an insured that has brought a meritorious dispute. The fees to

be borne by a side consisting of more than one Party shall be divided equally among such Parties.

Location: Any arbitration hereunder shall take place in New York, New York, unless otherwise mutually agreed upon by the two sides.

Entry of Arbitration Award: Judgment upon an arbitration award hereunder may be entered in, and enforced by, any court of competent jurisdiction.

Concealment or Fraud. The Company does not provide coverage if the Insured has intentionally concealed or misrepresented any material fact or circumstance relating to this Policy or claim.

Payment of Premium. Coverage is not effective unless all premium due has been paid to the Travel Insurance Administrator prior to a date of Loss or insured occurrence.

Termination of this Policy. Termination of this Policy will not affect a claim for Loss if the Loss occurred while this Policy was in force.

Transfer of Coverage. Coverage under this Policy cannot be transferred by the Insured to anyone else.

Insurance With Other Insurers. If there is other valid coverage not with the Company, providing benefits for the same loss on a provision of service basis or on an expense incurred basis and of which the Company has not been given written notice prior to the occurrence or commencement of loss, the only liability under this policy shall be for such proportion of the loss as the amount which would otherwise have been payable hereunder plus the total of the like amounts under all such other valid coverages for the same loss of which the Company had notice bears to the total like amounts under all valid coverages for such loss, and for the return of such portion of the premiums paid as shall exceed the pro-rata portion for the amount so determined. For the purpose of applying this provision when other coverage is on a provision of service basis, the "like amount" of such other coverage shall be taken as the amount which the services rendered would have cost

in the absence of such coverage.

Conformity with State Statutes. Any provision of this Policy which, on its effective date, is in conflict with the statutes of the state in which the Insured resides on such date is hereby amended to conform to the minimum requirements of such statutes.
